

GENERAL TERMS AND CONDITIONS (HEREINAFTER REFERRED TO AS "GTC")

1. Scope

The General Terms and Conditions (GTC) govern the relationship between **MTS Consulting, s. r. o.** ("Provider") and its customers (hereinafter referred to as "Customer"). These GTC are valid and binding on the provision of services, unless the parties agree otherwise in writing. The provision of services is carried out on the basis of a written contract concluded between the parties. GTC form an integral part of all contracts between the Provider and the Supplier. By signing and sending the contract to the Provider, the Customer acknowledges these GTC in its entirety.

2. Price

The price of services is determined by the agreement and contract between the Customer and the Provider valid at the time of conclusion of the contract and provision of services. The price is always understood to be exclusive of the statutory VAT.

The price does not include ancillary costs such as administrative fees, administrative fees, which are charged separately.

The price does not include fees for third-party mediated services, which the Provider identifies in the invoice as a Mediated Service.

3. Payment terms

The Customer is obliged to pay the invoice within 14 days from the date of its issue. The date of payment is considered to be the date of crediting the sum of money to the Provider's bank account. For non-payment of obligations over the due date of the invoice, the Provider has the right to claim a contractual penalty of 0.05% of the unpaid amount for each day of delay. Furthermore, the Provider may suspend the supply of services to the Customer at its sole discretion or request advance payments for other services.

4. Period of provision of services

The time limit for the provision of services is agreed between the parties in a written contract concluded and depends on the individual requirements of the Customer. The time limit for the provision of services may be extended by agreement of the parties and is extended even if the Customer does not provide all relevant information related and important to the provision of services.

5. Warranty and liability

The provider guarantees the quality of the services provided. The services are provided on the basis of the customer's requirements. Any defects will be claimed by the Customer at the Provider without undue delay. The Provider shall be liable for damages caused by his fault or omission and shall be obliged to compensate the Customer for the damage caused by this.

The Provider shall not be liable for damage caused by the Customer's instructions if the Provider has alerted the Customer to the defect or illegality of such instructions and the Customer has insisted on these instructions. The Provider shall also not be liable for damage caused by misleading and misleading information provided by the Customer.

6. Privacy Policy

The Provider processes the Customer's personal data on the basis of a closed contractual relationship or on the basis of the consent granted to the processing of personal data in accordance with act No. 18/2018 Coll. on the protection of personal data as amended and in accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council, of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, (gdpr). The Provider is entitled to use the personal data for its registration purposes, accounting purposes and in the performance of acts under the concluded written contract. The processing of personal data relates to personal data, namely name, surname, residence, date of birth, birth number, ID card number, or travel document number, residence permit number, occupation, employment, function, photo documentation, signatures. Consent to the provision of personal data may be revoked in writing at any time and shall be valid for the duration of the contractual relationship between the Customer and the Provider and for a period of 10 years from the end of the contractual relationship.

7. Dispute resolution

The mutual relations between the Provider and the Customer are governed by Slovak law. The Parties shall endeavour, in particular, to resolve mutual disputes amicably and through joint negotiations. The ordinary Slovak courts will have jurisdiction to rule on disputes between the Customer and the Provider.

8. Final provisions

All legal relations arising from relations between the Customer and the Provider that are not regulated by these GTC are subject to the provisions of the Commercial Code or the Civil Code, depending on the concluded written contract or other legislation in force in the Slovak Republic.

If any provision of these GTC is invalid or becomes so, this does not affect the other provisions of the GTC. Instead of such a provision, a provision of the applicable legislation corresponding to the purpose of these GTC shall be applied, which will replace the invalid provision.
